BlueSync hygienic belt range for the Food and Packaging Industry

Raising Belt Standards in the Food and Packaging Industry

Synchronous belts that are safe and clean in your food processing and packaging. Whether your business is fish, meat, poultry or baked goods, we make it our business to supply you the perfect belt.

Benefits:

- Food safety first! The BlueSync belt range is FDA, EC and EU compliant
- 100% Slip free belt drive even in wet and greasy circumstances
- Improved hygiene with our TotalSeal guarantee
- Easy cleaning with BlueSync belts that have sealed edges and no coil-nose
- The belt reinforcements we use are 100% rust free

Supports your HACCP
